

インストール手順

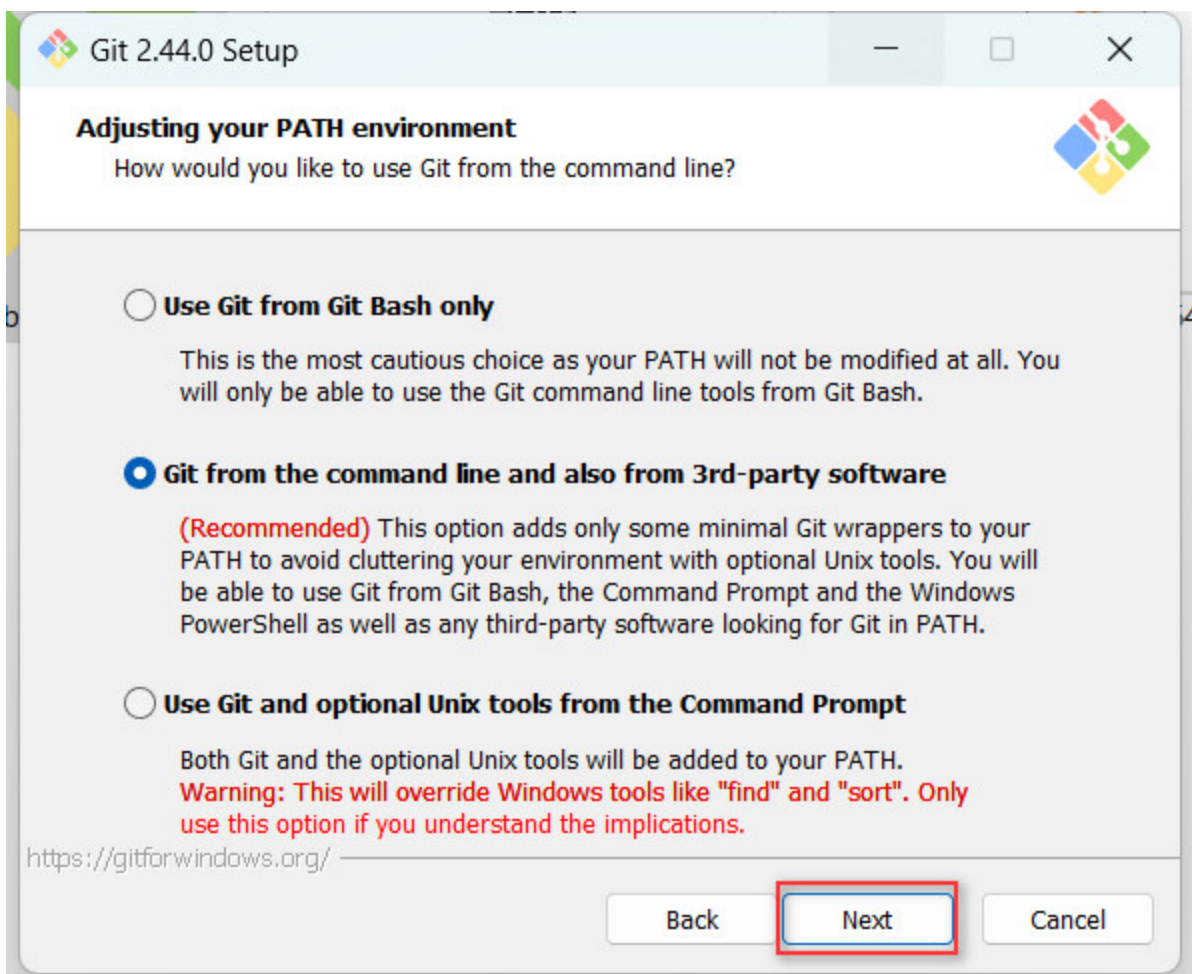

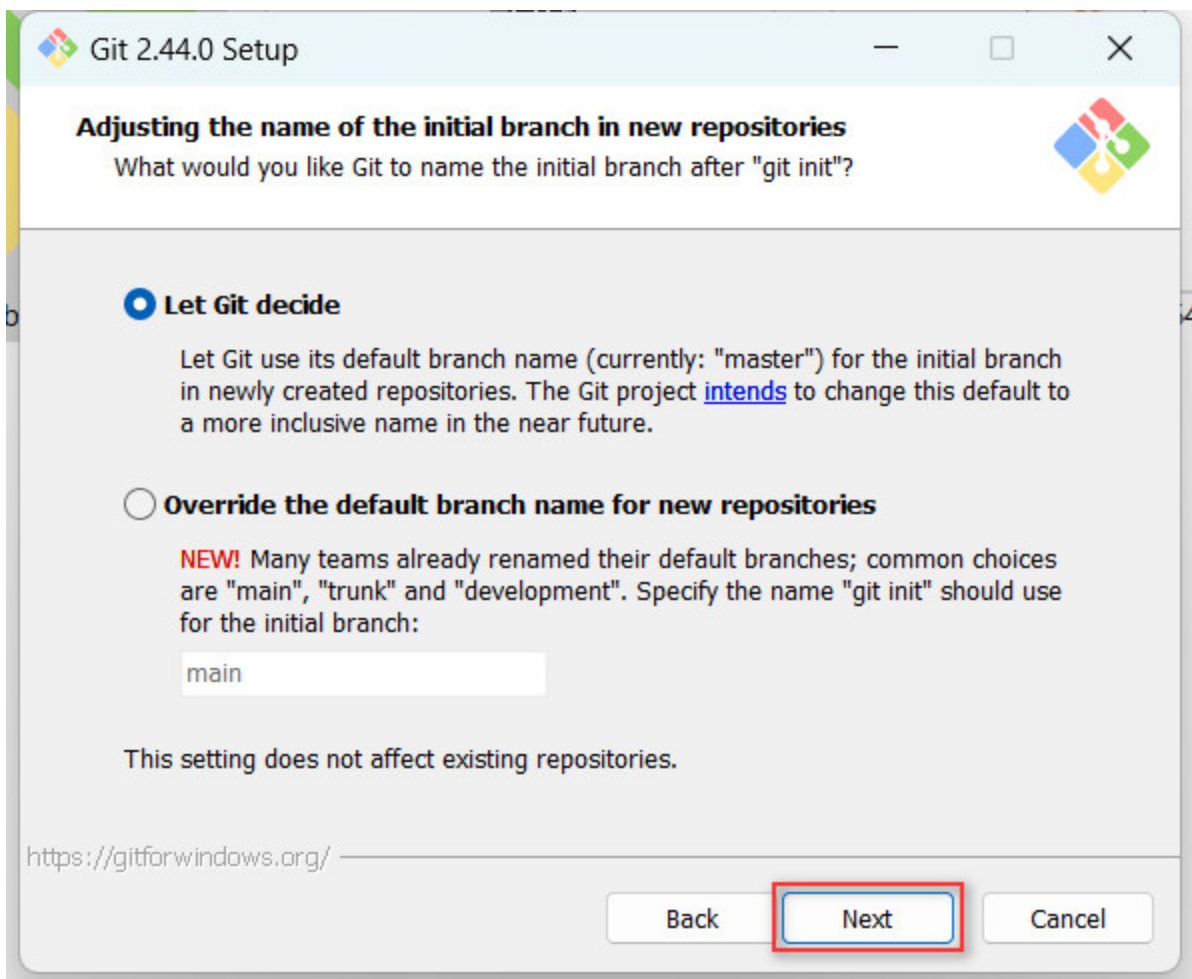

1.Git

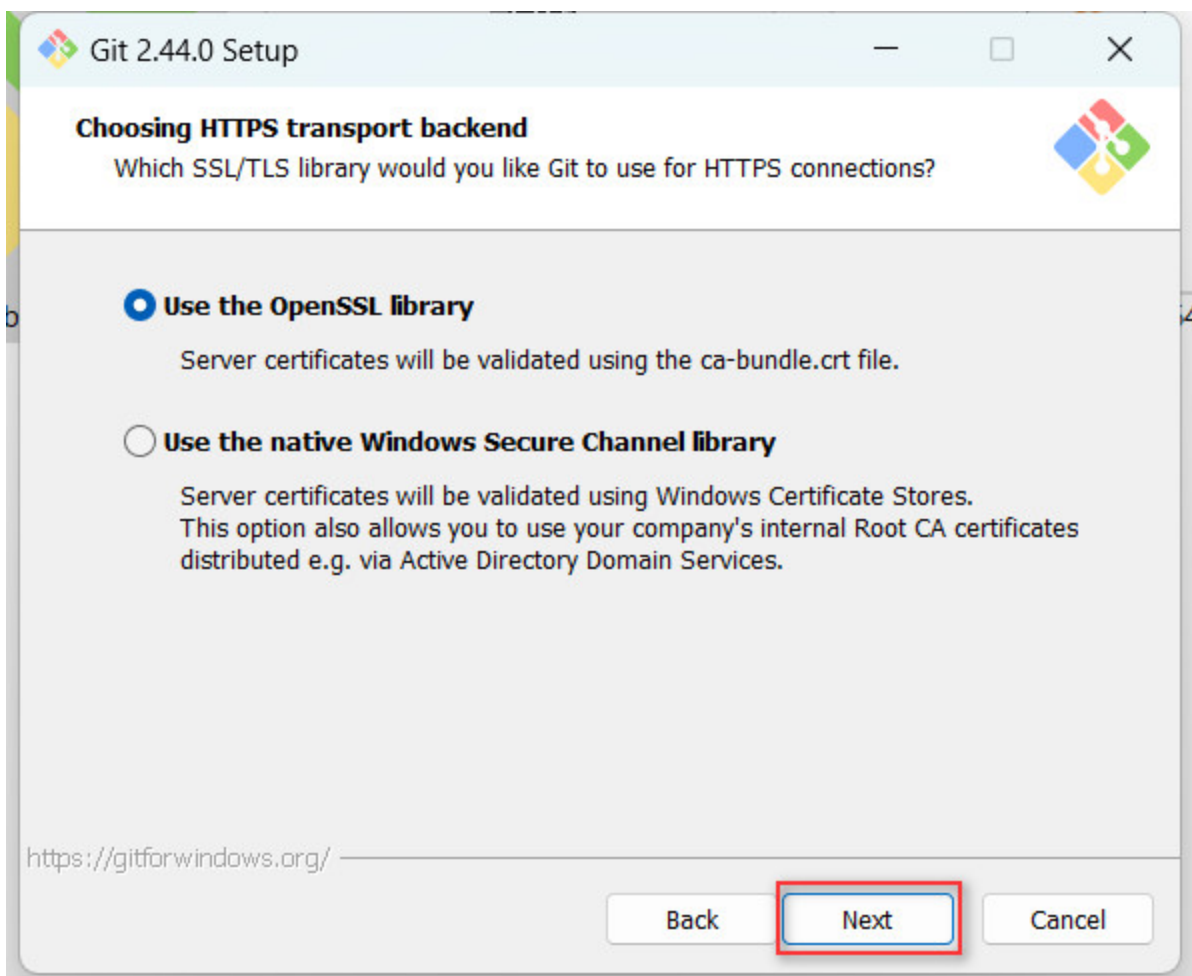

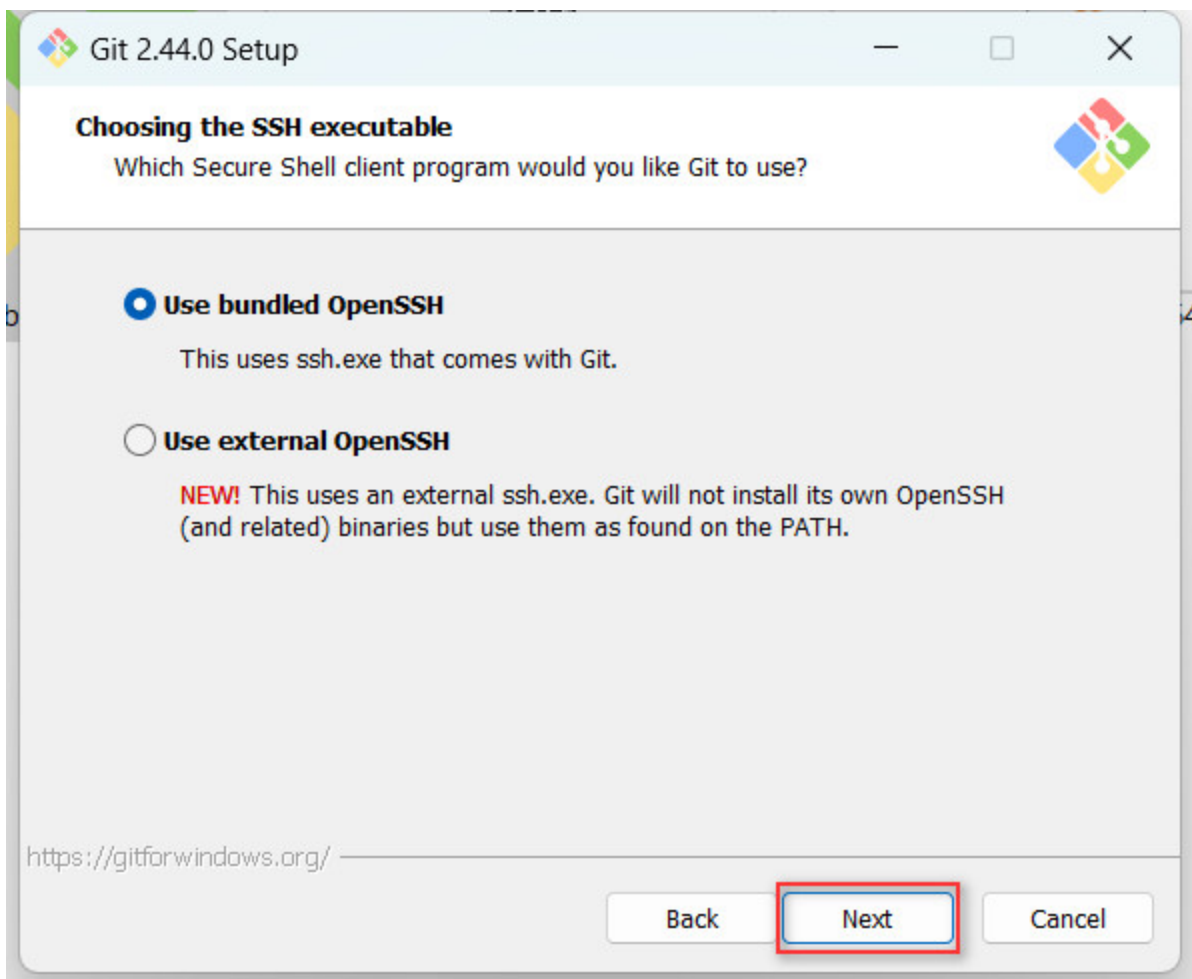

1.双击安装图标

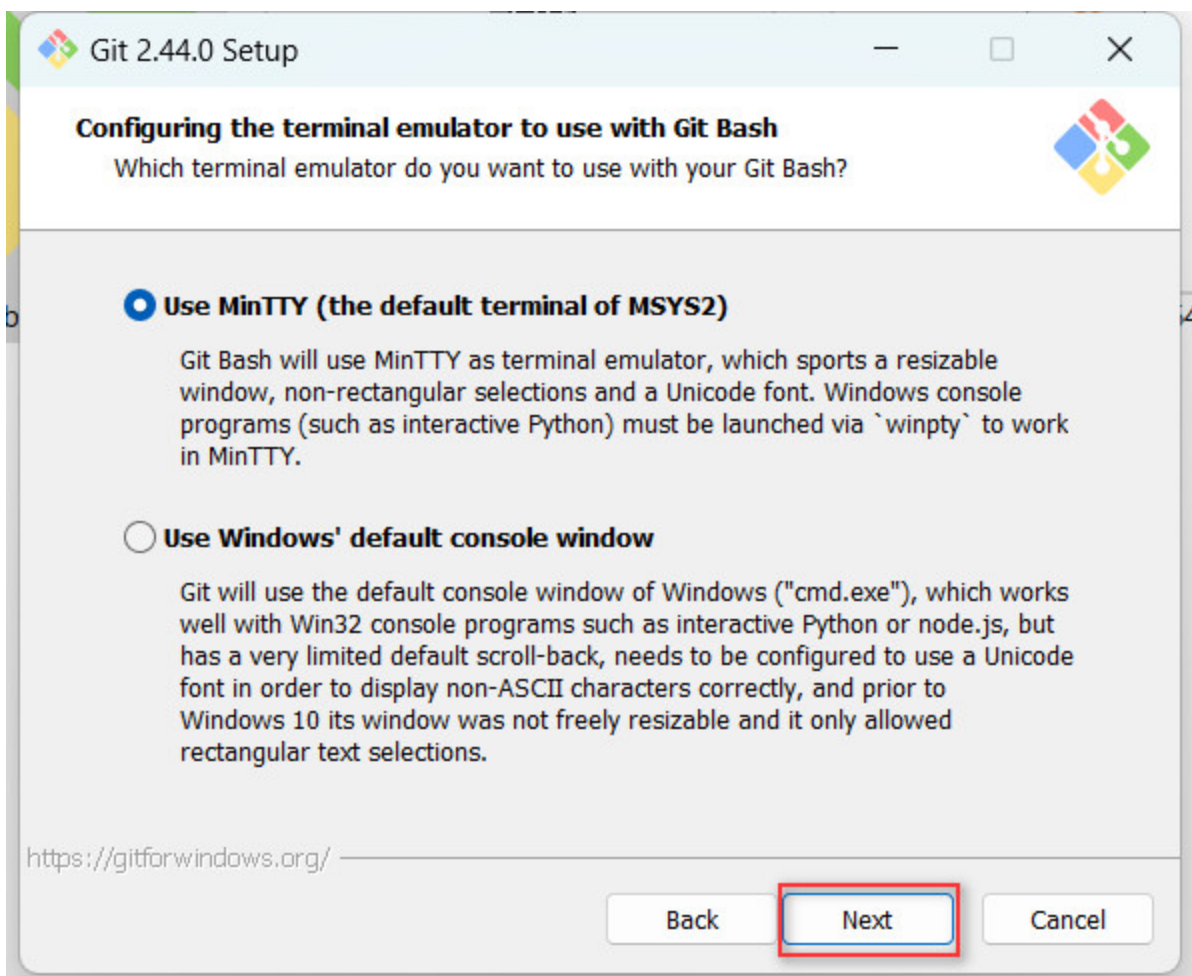

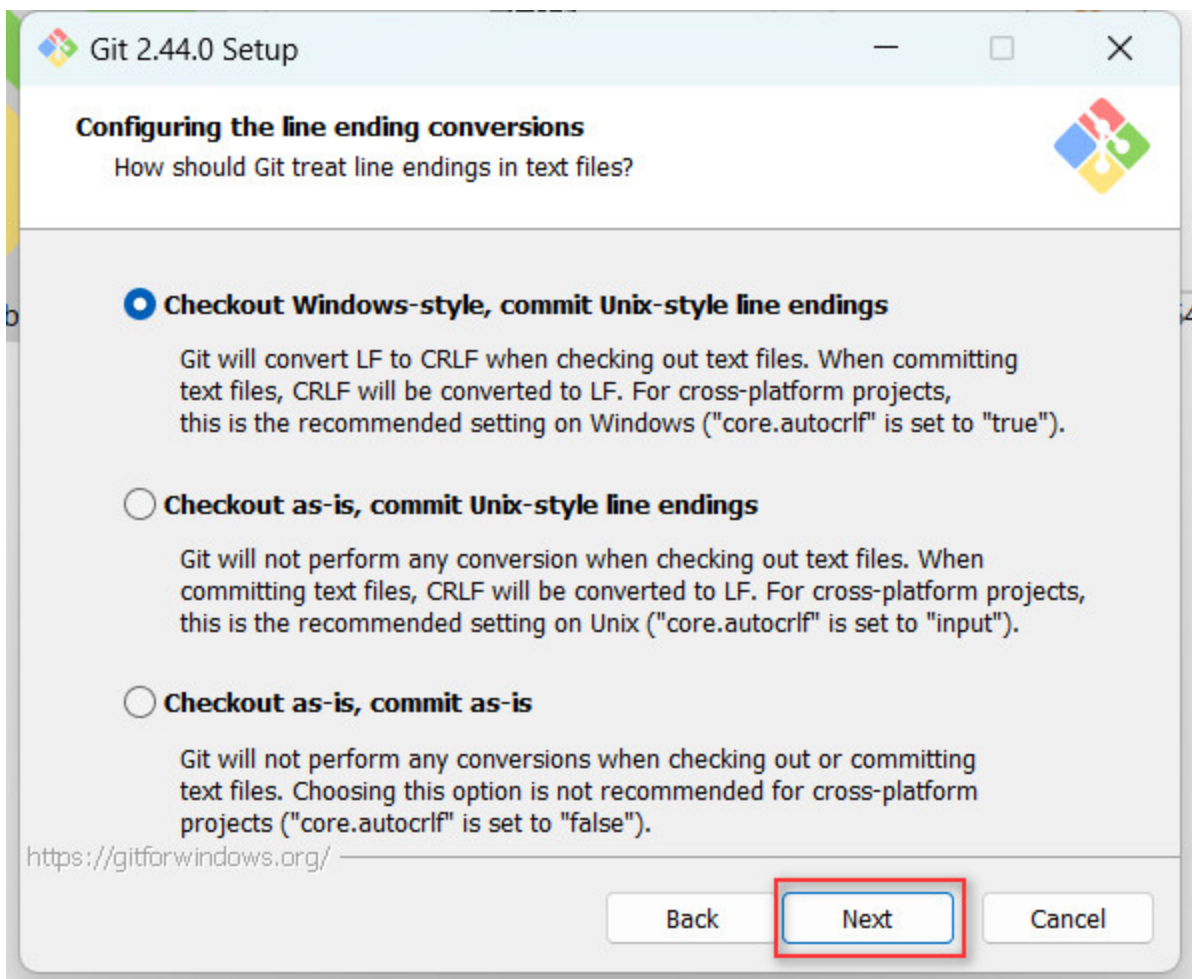

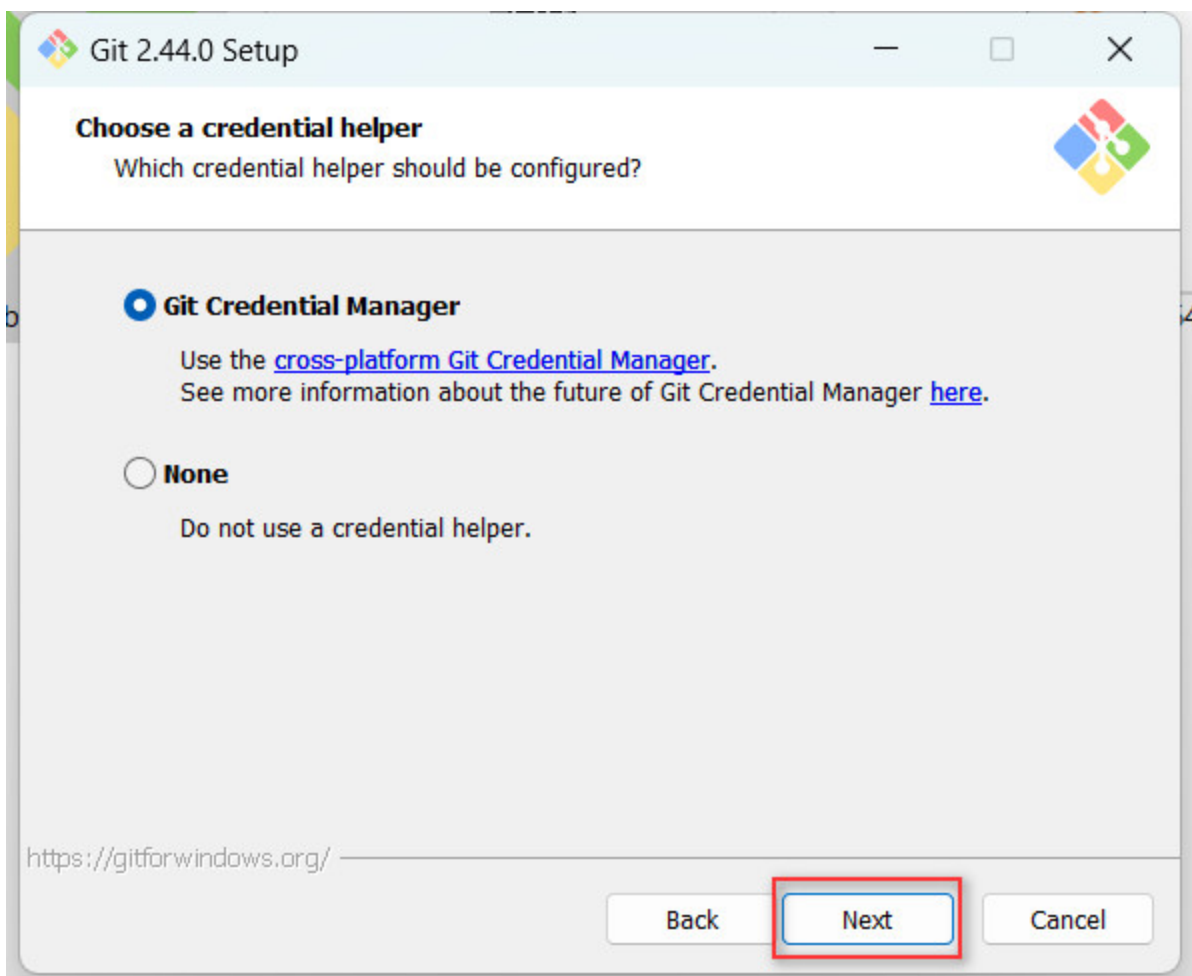

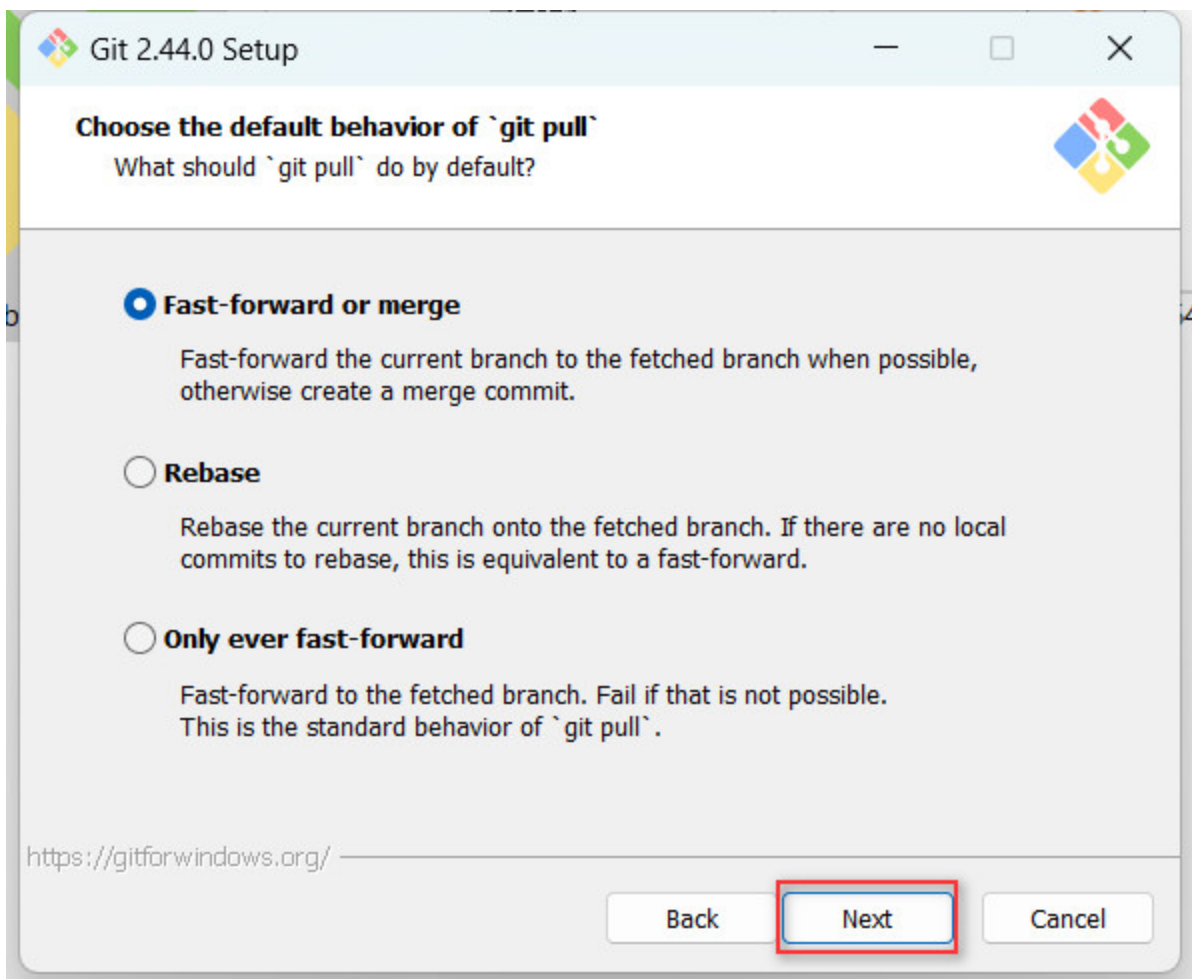

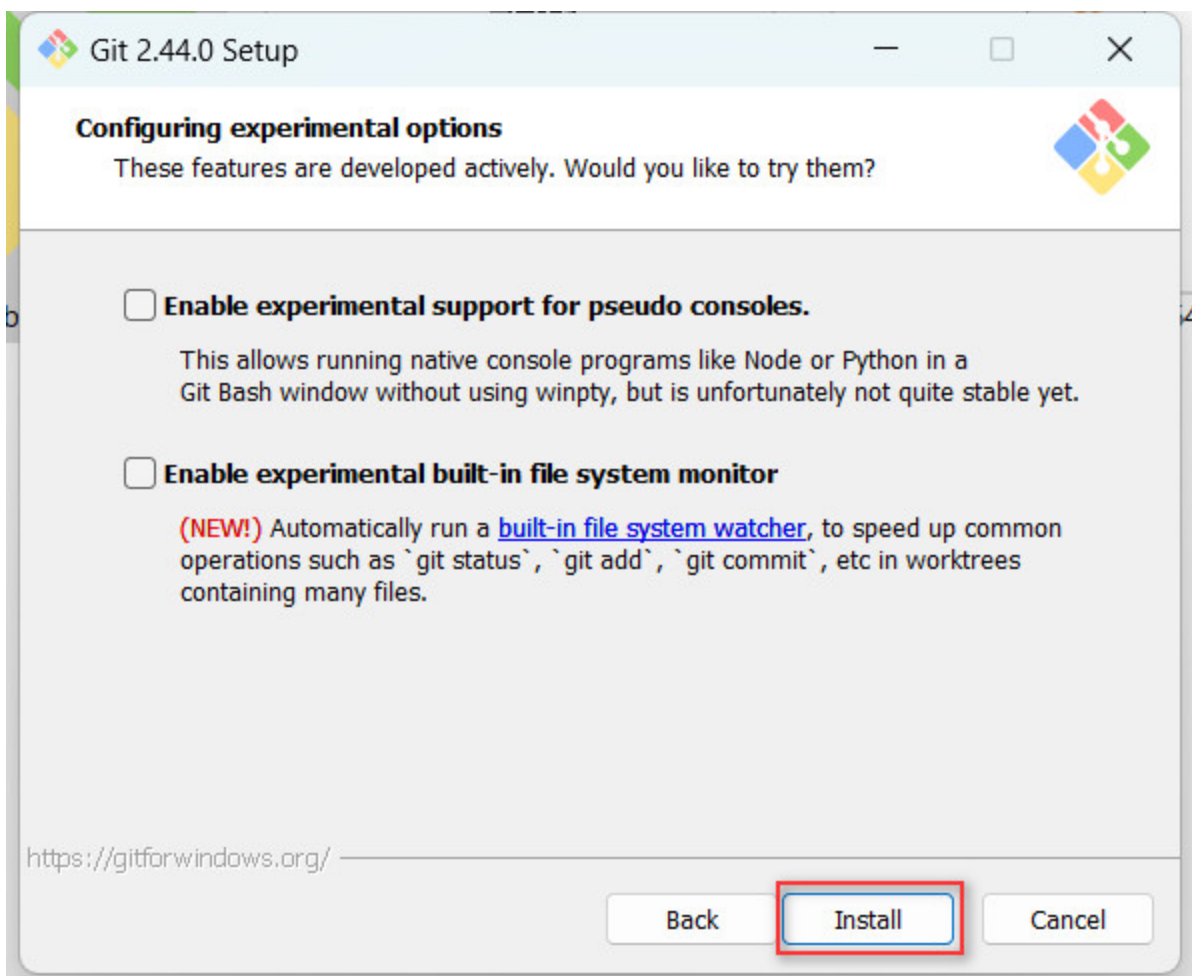

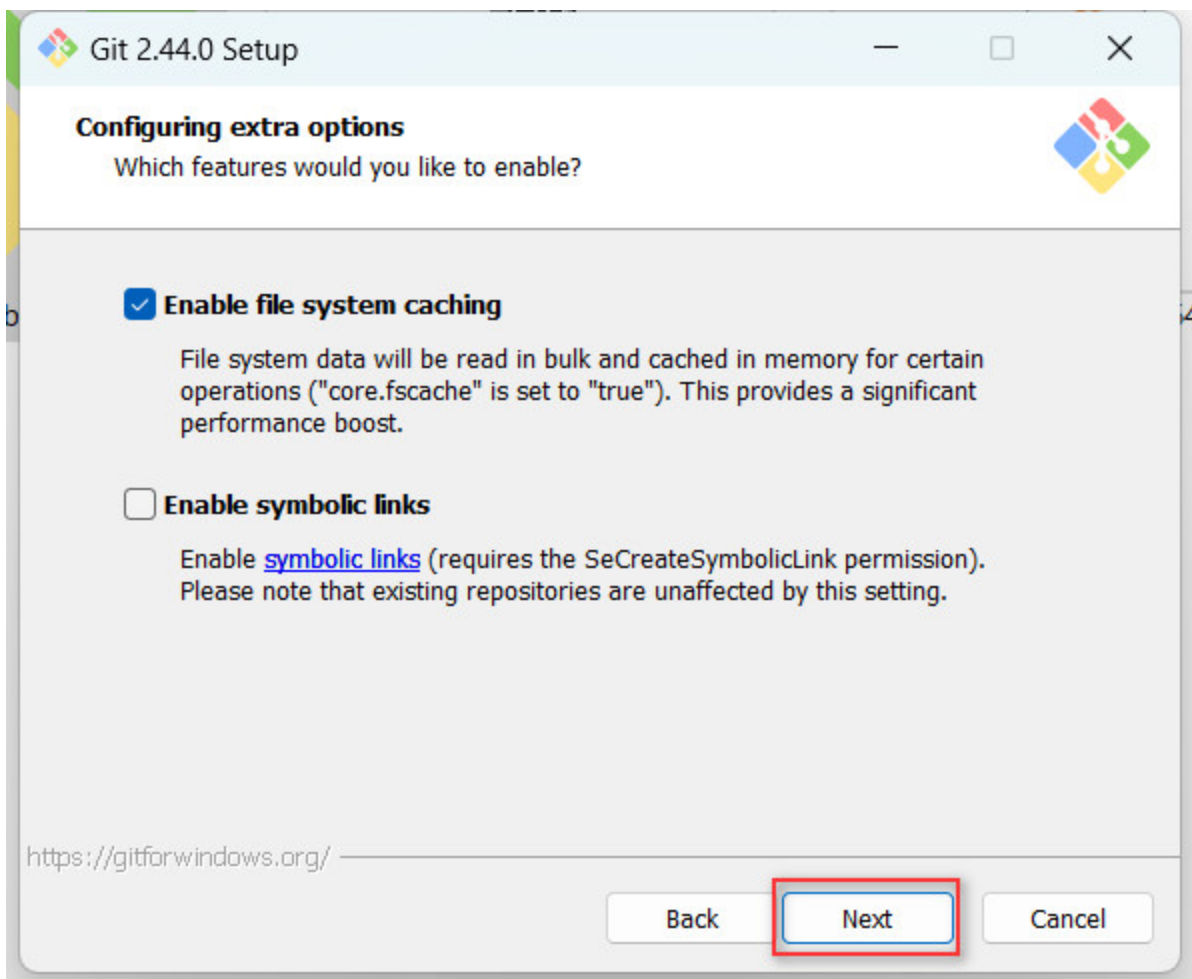

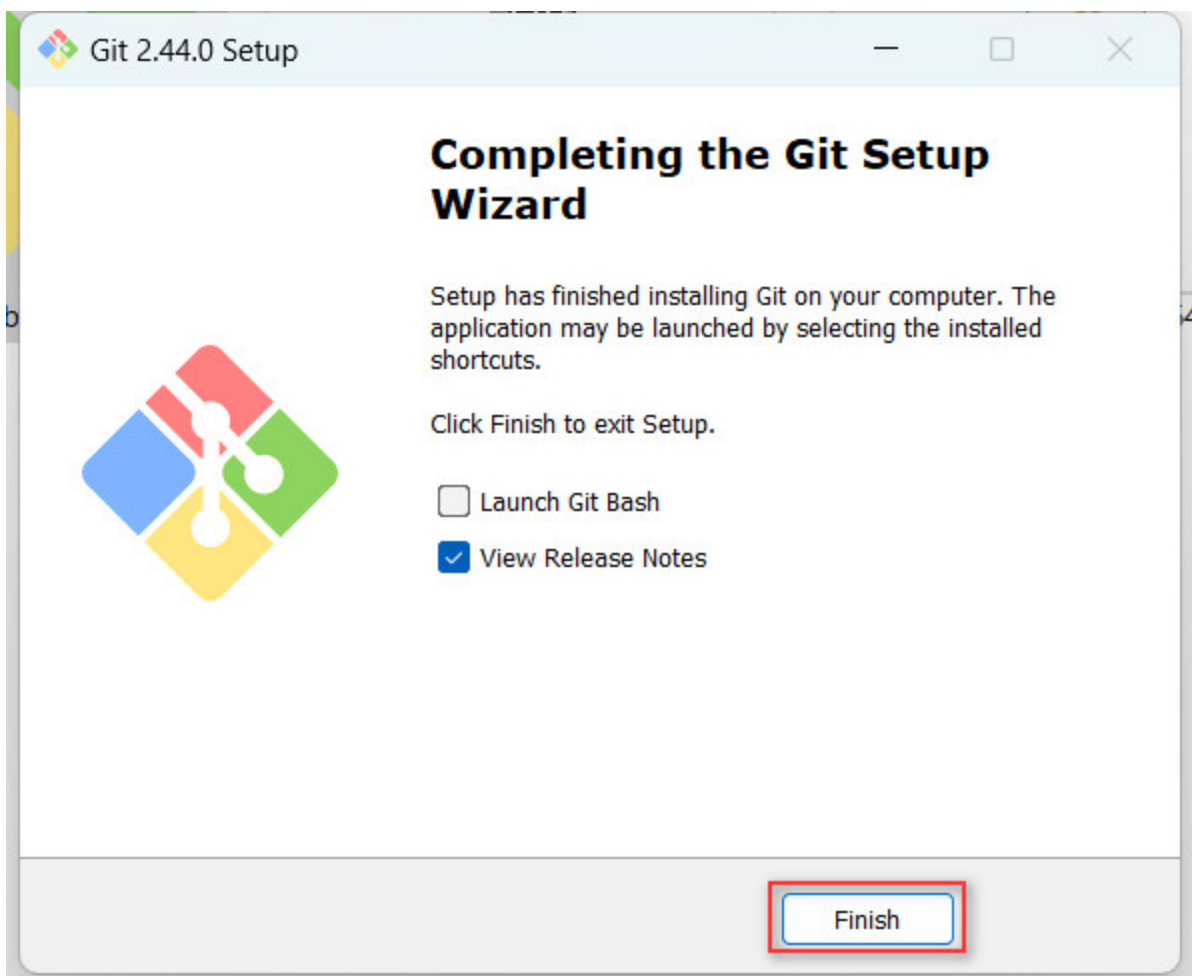

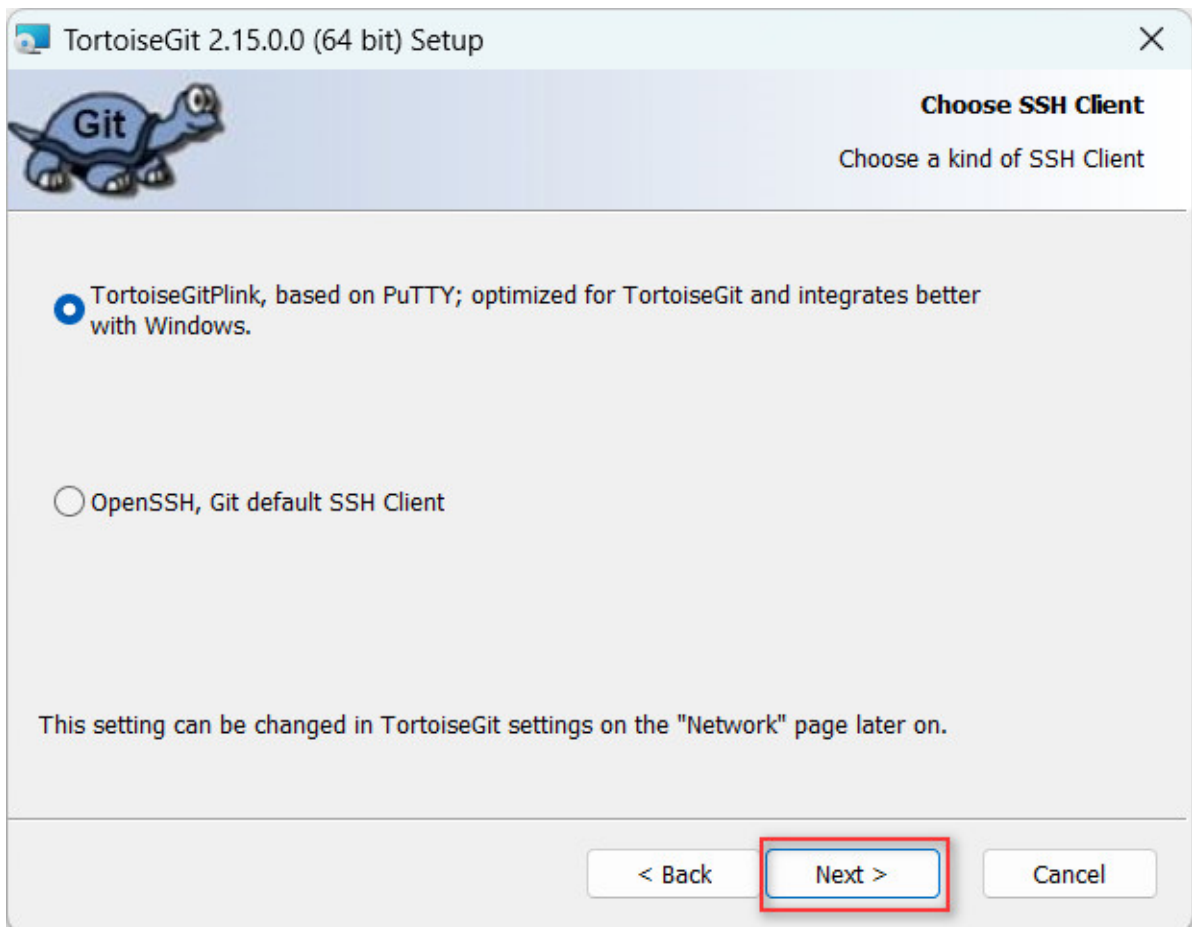

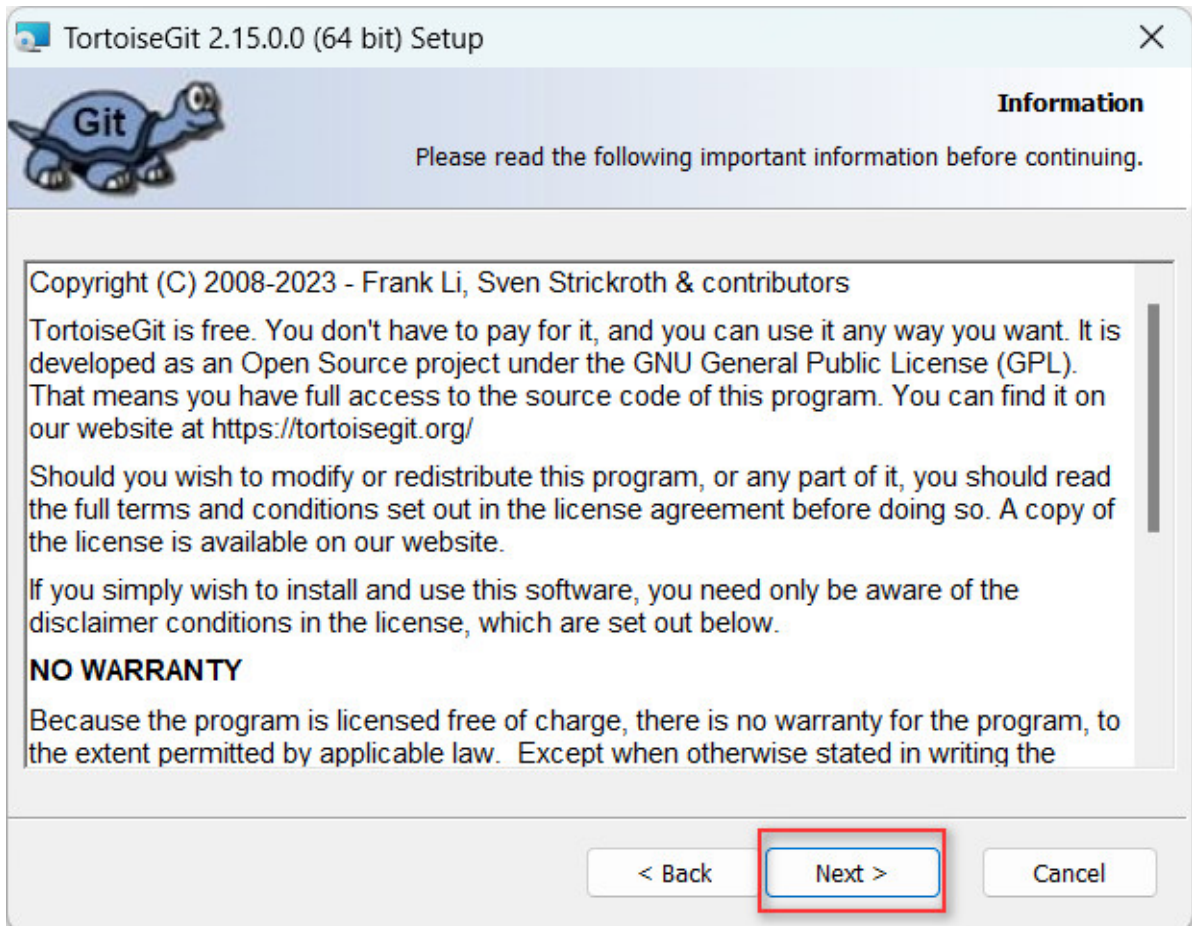

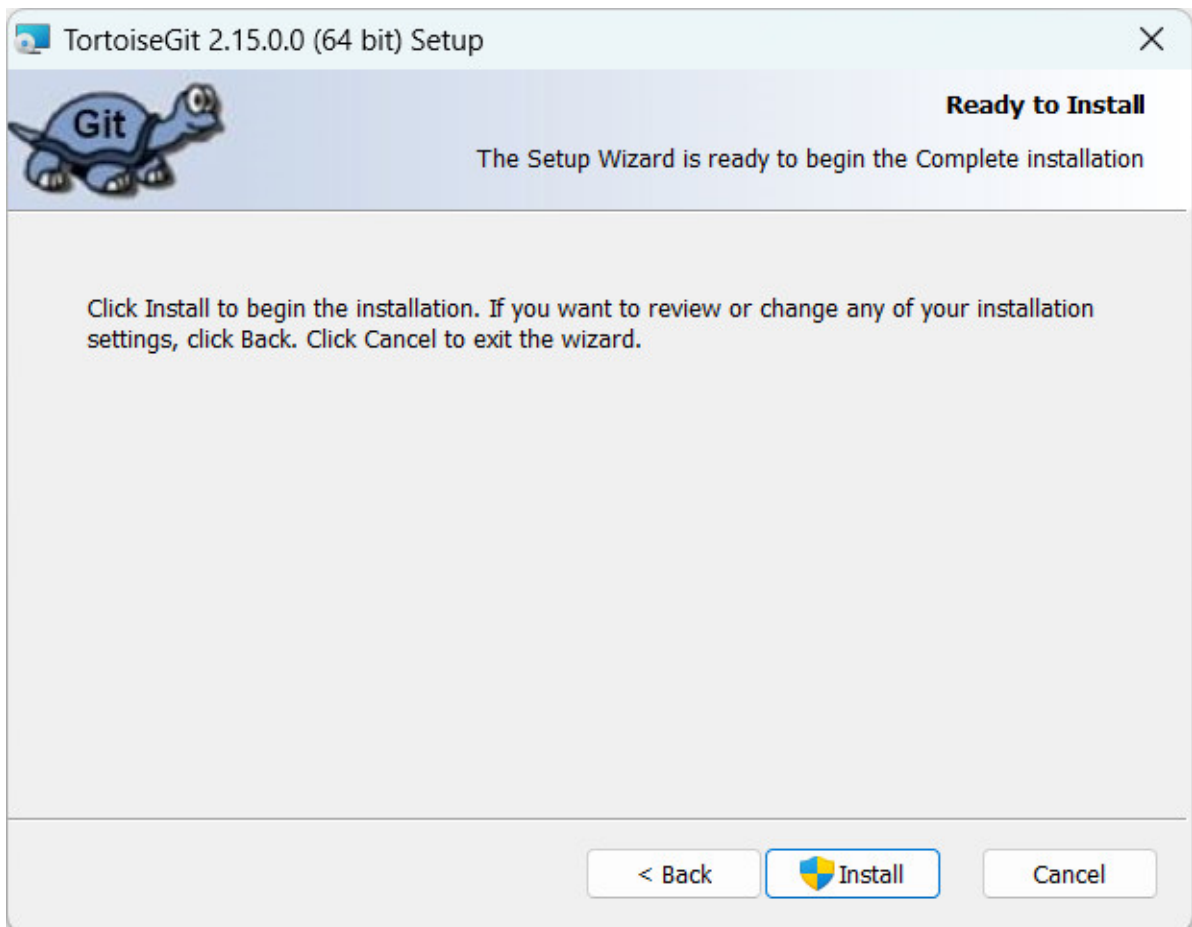

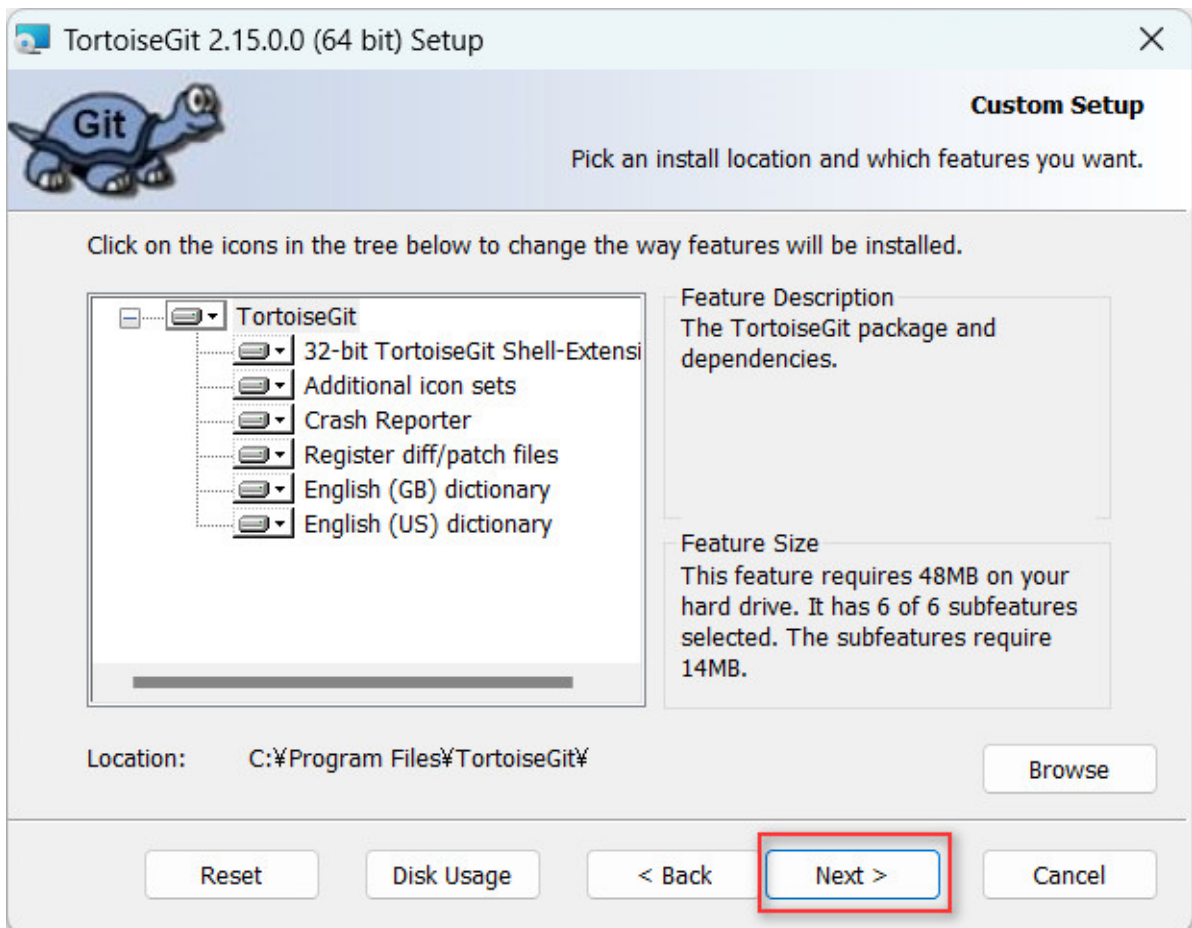

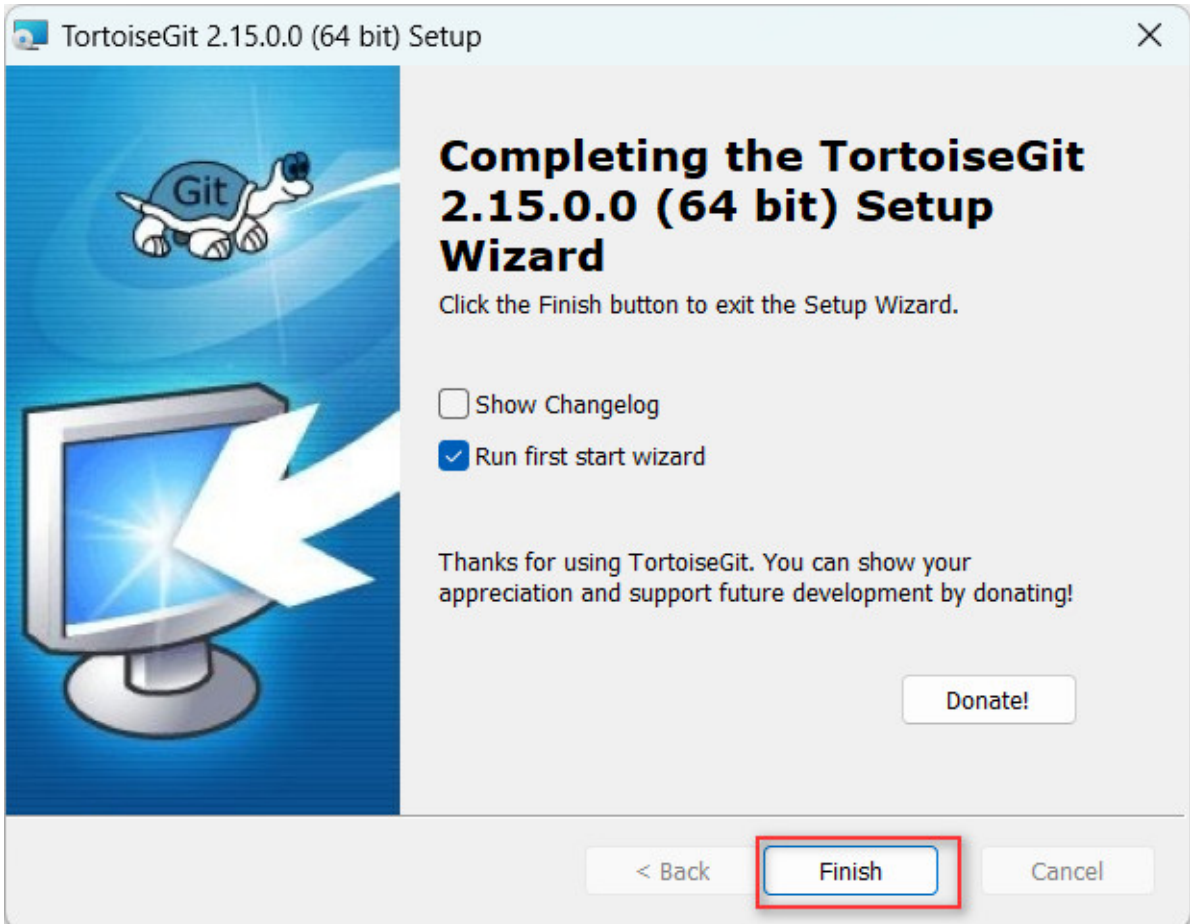

2.TortoiseGit

Welcome to TortoiseGit!

TortoiseGit can be localized using language packs.

In the following combobox you can find all installed language packs which can be used by this version of TortoiseGit.

If you want to use a translated version of TortoiseGit and your language is missing, [download](#) and install a matching language pack now and hit "Refresh" before continuing.

Language:

English

Refresh

Configure user information

Git requires that you set up a user name and email address. Both are used as meta data for your commits (not for authentication).

Name:

Email:

These settings will be stored to your global git configuration (%HOME%/gitconfig) and will be used for all your git repositories as a default.

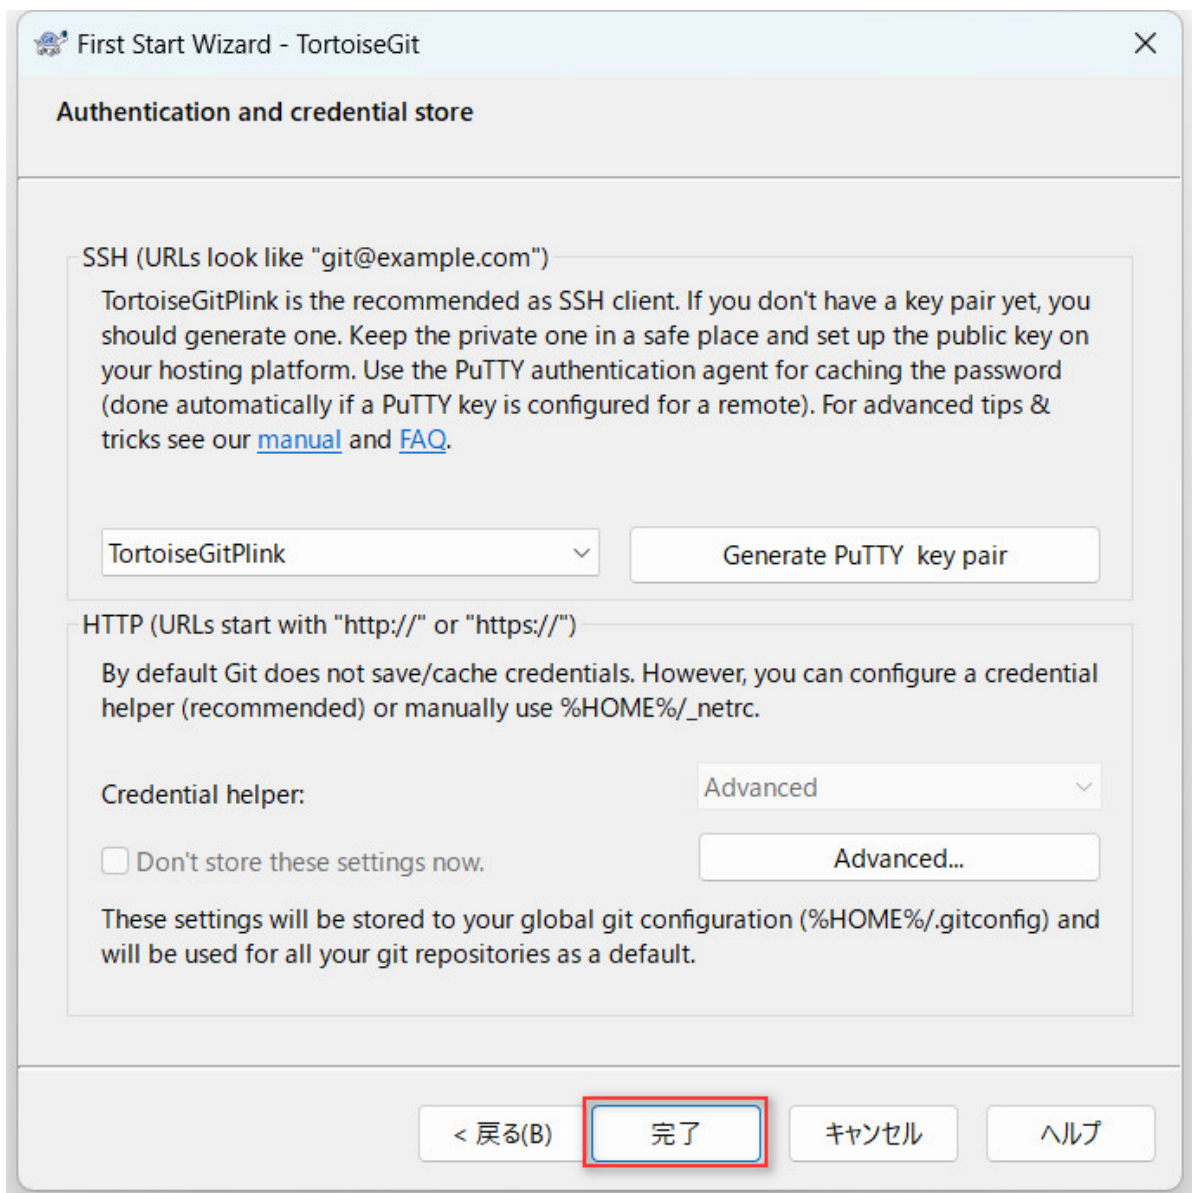

☐ Don't store these settings now.

Eclipse Foundation Software User Agreement

Applicable licenses will be discovered and prompted later in the installation process.
Avoid such interruptions by accepting the licenses that govern Eclipse content now.

Eclipse Foundation Software User Agreement Versions

There are currently three versions of the Eclipse Foundation Software User Agreement. You may review them and accept them now, or wait until you are prompted to review and accept them later.

- [Eclipse Foundation Software User Agreement Version 2.0](#)
- [Eclipse Foundation Software User Agreement Version 1.1](#)
- [Eclipse Foundation Software User Agreement Version 1.0](#)
